

	710909_Fridge
Image	
Model#	BC-122LA-53H
Technical data & Specification	<p>Type/appliance: Fridge Climate class :SN/N/ST volume of fridge compartment (Fridge): 108 L volume of freezer compartment : 14 L Energy efficecy class : E Freezer compartment star rating : 4 stars Energy consumption / year :139 kWh/year Freezing capacity / 24 hours: 2kg/24h Max noise level : 38 dB(A) Kind of coolant / Charge :R600a/23 Flat Door Semi Built in Design Mechanical Temperature Control Adjustable Leg Reversible Door Integrated Handle 1 Foldable Shelves 90° Door Open Design Big Crystal Crisper LED Light</p>
Equipment/Contents of box	<p>1* Instruction manual 1*Rating label 1* Energy label</p>
Dimensions of cases (cm)	58x59.6x88.9
Product size (mm) :	551x575x850
Weight per case in gramms (kg)	32
Net weight (without packaging) in kg	29.5
