

710913_Dryer	
Image	
Model#	DH-80S5C
Technical data & Specification	<p>Type : heat pump dryer  Dryer capacity : 8kg  Amount of refrigerant : R134a/310g  rated power : 650W  Energy efficecy class : A ++  15 Progarms  Electronic control with LED Display  202 min Standard Drying Time  Stainless Steel drum  Moisture sensing  4 front adjustable feet  1-24h Delay start  Reversible function</p>
Equipment/Contents of box	<p>1* Instruction manual  1*Rating label  1* Energy label</p>
Dimensions of cases (cm)	66x 70 x 89
Product size (mm) :	850 x 595 x 630
Weight per case in gramms (kg)	50
Net weight (without packaging) in kg	47
